

NEW APPARATUS FOR HICKORY CREEK

This is our new County purchased Pierce fire engine at the county's parade on October 8th at the Bentonville Square.

NEW APPARATUS FOR HICKORY CREEK

Here are our two new trucks both together in the station. Photo by Brian Fenton©

NEW APPARATUS FOR HICKORY CREEK

This is our new fire engine with the 12-volt scene lights on during a training session at night. You can also see the reflective stripe down the side of the apparatus.
